ANATOMY, PHYSIOLOGY AND PATHOLOGY

As A Practitioner Of Natural Therapies

42 DVDs, 1.30hr - 2.30hr each
Includes NEW Biochemistry DVD series!

By Dr Neil Slade Ph.D.

All Practitioners, medical or not, need a thorough knowledge in Anatomy, Physiology & Pathology before treating patients or taking further studies.

It's his or her responsibility to make sure to understand a patient's symptoms and its causes and to be able to recommend the right treatment or when to refer to an expert.

Dr Neil Slade is the lecturer for the Anatomy, Physiology & Pathology Course.

He has a Ph.D. in infectious diseases from Imperial College, University of London and is registered with the British Complementary Medicine Association.

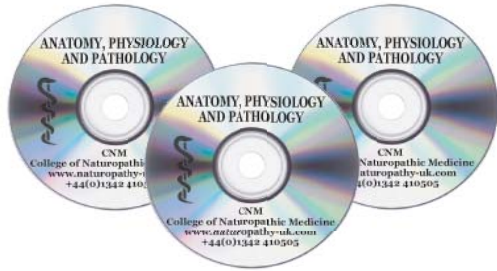

Dr Neil Slade graduated as a Homeopath with distinction and works in a London clinic.

His many articles can be found in a variety of magazines and health journals. Neil had his own "Doc Spot" for a national newspaper and can be found on television and radio discussing Homeopathic medicine.

This Anatomy, Physiology & Pathology DVD Series is geared towards students of Natural Therapies and Practitioners who want to recap their knowledge.

It gives an in-depth understanding of anatomy and the functions of the body.

Medical terms are defined in the DVDs.
